**PROPOSAL NO. 1:
AMENDMENT OF ARTICLES OF INCORPORATION
NAME CHANGE**

The stockholders holding a majority of combined voting power of the Company, including holders of common stock and Series A Convertible Preferred Stock, have approved an amendment to Article One of the Company's Articles of Incorporation to change the name of the Company to Telava Networks, Inc.

The Board of Directors has proposed the name change because of the Company's departure from the mortgage loan business and to match the name of the Company's current operating subsidiary, Telava Networks, Inc., a Nevada corporation ("Telava Nevada").

The amendment will be filed with an effective date with the California Secretary of State no less than twenty days after the mailing of the Information Statement.

**PROPOSAL NO. 2:
AMENDMENT OF ARTICLES OF INCORPORATION
INCREASE IN AUTHORIZED SHARES OF COMMON STOCK**

The stockholders holding a majority of the combined voting power of the Company, including holders of common stock and Series A Convertible Preferred Stock, have approved an amendment to Article Four of the Company's Articles of Incorporation to increase the number of authorized shares Common Stock from 20,000,000 to 200,000,000. The amendment increasing the authorized number of shares of common stock requires the affirmative vote of a majority of the Common Stock and Preferred Stock voting as a class.

The Board of Directors has proposed increase in authorized common stock to provide the Company with sufficient authorize shares of common stock for future financings or acquisitions. However, there are no such financings or acquisitions being contemplated at this time. In addition, the increase in authorized shares will enable the holders of Series A Convertible Preferred Stock to convert their shares in to common stock in order to simplify the capital structure of the Company. However, the agreement for the acquisition of Telava Nevada and the associated issuance of Series A Convertible Preferred Stock do not require this amendment to the Articles of Incorporation.

The amendment will be filed with an effective date with the California Secretary of State no less than twenty days after the mailing of the Information Statement.
